Re: Finance Docket No. 35095, The Alaska Railroad Corp. – Petition for Exemption  
From 49 U.S.C. § 10901 To Construct And Operate A Rail Line Extension To  
Port MacKenzie, Alaska

Dear Ms. Rutson:

Pursuant to your letter request for information dated June 13, 2011, this is to confirm that a copy of the permit package that ARRC submitted to the Corps and GIS shape files of the new rail line are being provided today to Alan Summerville, ICF.

Our responses to issues raised in post-EIS comments will be submitted to OEA on Monday, June 27.

Sincerely,

Kathryn Kusske Floyd

cc: Dave Navecky  
Alan Summerville

**\*\*\*\*\* NOTE FROM THE STB: Because of the voluminous size of the attachments to this letter, they are not posted on the Board's Web site. The attachments are available for review by appointment at the Board's offices. The attachments to the letter include: GIS shape files for the proposed rail line extension; Project Descriptions; Design/Construction Summary; Coastal Project Questionnaire and Consistency Evaluation; State of Alaska ADNR Land Use Permit Applications; ADF&G Title 16 Fish Habitat Permit Application; State of Alaska Temporary Water Use Permit Applications; U.S. Army Corps of Engineers Section 404 Permit Application; U.S. Coast Guard Section 9 Bridge Permit Application; and MSB Floodplain Development Permit Application.**
